The last-named team is the Home Team. The Home Team for the first game lines the field. Failure to line the field will result in forfeiture of the game. Each home team will provide one new, 12 in., yellow .44 cor ball with a maximum compression of 400. The visiting team will furnish a good used ball of the same cor. Both teams may agree to use a white ball. There will be no switching of ball color during the course of the game.

Although Softball is a non-contact sport, participants are warned that the possibility for injury does exist.
